In August of 1992, we moved from Arizona back to Oregon where we grew up. One of the things we brought back with us was a hankering for good barbecue, which we were unable to find in Eugene.

In order to satisfy our barbecue cravings, we decided to open our own restaurant. On July 1, 1993, we signed the papers on the property at 3200 W. 11th Eugene. Our lives, as we knew them, changed forever; and so did the existing building. We renovated, changed the entrance, scrubbed, painted, carpeted, re-tiled and scrubbed some more!

On August 2, 1993, we officially opened our door for business. To start, we were only open Monday through Friday, 11:00 am to 2:00 pm. Our menu was limited to three sandwiches, chili, BBQ beans, potato salad and coleslaw all made from scratch. The business was growing and guests kept asking us to extend our hours. So we did! Currently, we are open Monday through Saturday, 11:00 am to 8:00 pm, and expanded our menu to include many more homemade southern favorites.

In June of 2008, we opened our second Hole in the Wall in Springfield at 1807 Olympic Street. In addition to the favorites already enjoyed by folks in Eugene, our Springfield store also boasts Smokehouse Breakfast served until 2:00 pm daily, Sunday Brunch from 9:00 am to 2:00 pm, a banquet room capable of seating up to 50 guests and a full service lounge.

Don’t miss our daily specials at both restaurants, including our famous Smoked Half-Pound Bacon Cheeseburger, Prime Rib French Dip Sandwich and Smoked Meatloaf, Just to name a few.
